

THE TEAM. THE TEAM. THE TEAM.

Dear Candidate,

Interview season is an exciting next step in your career. We are thrilled that you are visiting our program and want to make your stay as pleasant and informative as possible.

We understand that this is a busy time as you embark on a whirlwind tour across the country determining where you will spend the next few years. We hope that you will be able to experience Ann Arbor and get to know our amazing residents.

In addition to the structured interview day, there will be opportunities to get to know our residents. During the evening prior to your interview day, there will be an informal dinner at either a resident's home or a local restaurant at 7:00pm. Your spouses and significant others are encouraged to join. Details will be emailed to you one week prior to your interview. If you need a ride, please do not hesitate to reach out. Additionally, if you are interested in staying at a resident's home during your visit, please contact Victoria Hoch MD (hvictori@med.umich.edu).

Finally, if you have time, we welcome you to spend a few hours in one of our three emergency departments. We staff two hospitals in Ann Arbor (University of Michigan and Saint Joseph Mercy Hospital) and one in Flint (Hurley Medical Center). If this is of interest, please let us know and we can coordinate a time either before or after your interview day.

If there is anything else we can do to help with your visit or any additional information that we can provide, please do not hesitate to contact us. We greatly look forward to meeting you!

Go Blue!
