

Scholarly Activity Oversight Committee

Fellow Research/Scholarly Activity Progress Report - Input Report
Month & Year

Name of Fellow: _____

DIRECTIONS:

Please use this form for submissions to the SAOC. Questions 1 through 3 must be completed in your submission. Please attach a separate page for question 2.

1. Please give no more than a 1 (one) paragraph description of your research hypothesis/es.

Please give no more than a 1 (one) page description of your scholarly activity progress in the last quarter (Please attach to this document!).

2. Please comment on coursework, workshops, lectures, and/or online didactic research education you have received since the last SAOC meeting.

Please list any manuscripts, curriculum modules, chapter, or abstract submissions (etc.) anticipated over the next 12 months. (Please include the date submitted or planned date of submission.)

Please submit any suggestions you would like to bring before the scholarly oversight committee or suggestions on improvements to research education in the PEM fellowship.

3. Provide a brief description of goals for the next quarter, the remainder of the academic year, and the remainder of the fellowship. Please include your updated general timeline outlining these.
